Subject: Recording of CaramenConnect Intro
Date: Friday, April 05, 2013 2:44:27 PM

Thank you to all the attendees who logged in to yesterday's "Intro to CarmenConnect" web conference. We had over 60 Extension professionals in attendance. Here is the link to the recording <http://carmenconnect.osu.edu/p6nme4kb9f9/> for those who could not participate.

Please join me on April 18 at 10 am as we continue the orientation and explore how to use CarmenConnect to its full potential for meetings/personal productivity and teaching external audiences.

To participate, click on this URL <http://carmenconnect.osu.edu/trainosue/> and enter as guest.

Because we anticipate a large attendance for this event, we will not offer two way discussion, but you will be able to ask questions in the chat box which will be staffed by seasoned users of CarmenConnect within Extension.

This session will be recorded for viewing at a later date if your schedule does not permit your attendance.

If you have never used CarmenConnect here are some resources that may be helpful:

OCIO CarmenConnect tool page:

<http://ocio.osu.edu/elearning/services/tools/carmenconnect/>

Test your connection:

http://carmenconnect.osu.edu/common/help/en/support/meeting_test.htm

Get a quick overview: <http://www.adobe.com/products/adobeconnect.html>

I look forward to seeing you in my CarmenConnect meeting room <http://carmenconnect.osu.edu/trainosue/> on April 18.

Regards,

Ken Kulka
