

Monday, October 14, 2019

Break Out Session One – 1:45-2:45pm

Mental Health / Substance Abuse / Opioids – Room A		
1:45 – 2:05	Impact at Every Age: Characterizing rising rates of 'Diseases of Despair' from 2009-2018	Lawrence Sinoway, MD, Heart and Vascular Institute Penn State University Jennifer Kraschnewski, MD- Internal Medicine- Penn State University Daniel George, PhD- Humanities- Penn State University Charity Sauder, MS- Penn State Clinical and Translational Science Institute Andrea Murray, MPH - Penn State Clinical and Translational Science Institute Robert Gladden, MA- Highmark Health Curren Katz, PhD- Highmark Health Emily Brignone, PhD- Highmark Health
2:05 – 2:25	Educational outcomes from a standardized overdose prevention intervention in southern Ohio community correctional facilities	A.T. Vissman, Center for Health and Human Services Research, Talbert House; P. Rocci, Department of Environmental Health Sciences, University of Cincinnati; J.M. Calvert, Center for Health and Human Services Research, Talbert House; K.G. Sperber, Center for Health and Human Services Research, Talbert House
2:25 – 2:45	Participant Reflections on an Overdose Prevention Curriculum addressing Fentanyl in Ohio Community Correctional Settings	J. M. Calvert, Center for Health and Human Services Research, Talbert House, A. T. Vissman, Center for Health and Human Services Research, Talbert House, K. G. Sperber, Center for Health and Human Services Research, Talbert House
Health Equity Across the Lifecourse: Social Determinants of Health – Room B		
1:45 – 2:05	Investigating the Causes of Urban-Rural Health Disparities across the Life Course	D. Spence, Ohio Colleges of Medicine Government Resource Center, The Ohio State University T. Sahr, Ohio Colleges of Medicine Government Resource Center, The Ohio State University
2:05 – 2:25	Health Literacy Among Primary Care Patients in an Academic Setting in the Appalachian Region	C. Powers, Joan C. Edwards School of Medicine, Marshall University S. Yoho, Joan C. Edwards School of Medicine, Marshall University P. Indramohan, Department of Internal Medicine & Geriatrics, Marshall University
2:25 – 2:45	Using Virtual Reality to Improve Cultural Self-Efficacy and Diabetes Attitudes in Rural Appalachian Ohio	E.A. Beverly, Ohio University Heritage College of Osteopathic Medicine, Athens, OH J. Bowditch, Ohio University Scripps College of Communication, Athens, OH S. R. Diaz, Ohio University Heritage College of Osteopathic Medicine, Athens, OH C. Love, Ohio University Scripps College of Communication, Athens, OH M. Love, Ohio University Scripps College of Communication, Athens, OH E. Williams, Ohio University Scripps College of Communication, Athens, OH
The How-to's of Collaborative Research Partnerships in Rural Communities – Room C		
1: 45 – 2:05	Strategies for Launching Community-Academic Partnerships: Lessons Learned from Ohio START	A. Bunker, Associate Professor, College of Social Work, The Ohio State University F. Gadel, Director of Ohio START, Public Children Services Association of Ohio M. Himmeger, Ohio START Program Manager, Public Children Services Association of Ohio E. Magier, Graduate Research Assistant, College of Social Work, The Ohio State University B. Freisthler, Professor and Associate Dean for Research, College of Social Work, The Ohio State University
2:05 – 2:25	Building Capacity for Community-Based Participatory Research (CBPR): Successful Strategies	B. W. Noble, Center of Excellence in Rural Health, University of Kentucky F. J. Feltner, Center of Excellence in Rural Health, University of Kentucky B. Bowling, Center of Excellence in Rural Health, University of Kentucky M. Slone, Center of Excellence in Rural Health, University of Kentucky
2:25 – 2:45	The Application of Community-engaged Research in HIV Prevention and Care: Lessons from the Field	S. D. Rhodes, Department of Social Sciences and Health Policy, Wake Forest School of Medicine A. E. Tanner, Department of Public Health Education, University of North Carolina Greensboro L. Mann-Jackson, Department of Social Sciences and Health Policy, Wake Forest School of Medicine J. Alonzo, Department of

		Social Sciences and Health Policy, Wake Forest School of Medicine F. M. Simán, El Pueblo, Inc. S. Trent, Triad Health Project E. Y. Song, Department of Social Sciences and Health Policy, Wake Forest School of Medicine
--	--	---

Break Out Session Two – 2:50-3:30pm

Mental Health / Substance Abuse / Opioids – Room A		
2:50-3:10	A brief point-of prescription intervention to improve appropriate use of opioids	M. Bridwell, Marshall University School of Pharmacy E. L. Winstanley, West Virginia University Department of Behavioral Medicine and Psychiatry B. Manibusan, West Virginia University School of Public Health E. Thacker, West Virginia University School of Pharmacy A. R. Castracane, West Virginia University School of Pharmacy B. L. Riley, Marshall University School of Pharmacy
3:10-3:30	Generation Rx: How Pharmacy and Extension Leaders are Promoting Safe Medication Practices	L. Schieber, Pharmacist, Pickaway County Addiction Coalition (chair) B. Sandidge, Generation Rx Program Manager, OSU College of Pharmacy C. Pekny, PharmD, Faculty OSU College of Pharmacy, Ohio State University Extension
Health Equity Across the Lifecourse: Older Adults – Room B		
2:50-3:10	Improving use of MoCA in assessing cognitive impairments in older adults with low formal education	R. S. White, Departments of Chemistry and Biology, Georgetown College; Sanders-Brown Center on Aging, University of Kentucky J. M. Barber, Sanders-Brown Center on Aging, University of Kentucky A. M. Caban-Holt, Sanders-Brown Center on Aging, University of Kentucky; Department of Behavioral Neuroscience, University of Kentucky M. B. Boggess, Sanders-Brown Center on Aging, University of Kentucky G. A. Jicha, Sanders-Brown Center on Aging, University of Kentucky; Department of Behavioral Neuroscience, University of Kentucky; Department of Neurology, University of Kentucky
3:10-3:30	Implementation and Evaluation of T-CHAT, a Chronic Disease Self-Management Program (CDSMP) for Older Adults Living in Retirement Communities	A.S. Ellard, MSN,APRN/CNP-BC, DNP Candidate, College of Nursing, University of Cincinnati
The How-to's of Collaborative Research Partnerships in Rural Communities – Room C		
2:50-3:10	How To Establish Community Partnerships and Maintain them Over Time	Darla Fickle, Program Director, Comprehensive Cancer Center, Ohio State University Wexner Medical Center
3:10-3:30	Empowering Communities Initiative: Building, maintaining, and sustaining collaborations for effective program implementation and evaluation	A. Bennett, MSW, LSW, Program Director, College of Social Work, Ohio State University R. Luce, Former Executive Director, John W. Clem Recovery House, Athens County, Ohio D. Stocker, Kinship Services, Integrated Services for Behavioral Health, Meigs County, Ohio L. Niple, Peer Recovery Supporter, Integrated Services for Behavioral Health, Vinton County, Ohio

Tuesday, October 15, 2019

Break Out Session Three – 8:30-9:50am

Mental Health / Substance Abuse / Opioids – Room A		
8:30-8:50	Identifying High Risk Areas for NonFatal Opioid Overdose Using High Resolution EMS Run Data and Advanced Spatial Analysis	B.M. Hendricks, Department of Epidemiology, West Virginia University J. Pesarsick, Department of Epidemiology, West Virginia University M. Gwilliam, Department of Epidemiology, West Virginia University O. Adeniran, , Department of Epidemiology, West Virginia University T.M. Rudisill, , Department of Epidemiology, West Virginia University G.S. Smith, Department of Epidemiology, West Virginia University
8:50-9:10	Opioids in the Medical Curriculum: Students' Perceptions from the Clinic	S. C. Mort, Department of Medicine, Ohio University Heritage College of Osteopathic Medicine, Athens, OH; Department of Translational Biomedical Sciences, Ohio University, Athens, OH R. G. Rennie, Department of Family Medicine, Ohio University Heritage College of Osteopathic Medicine, Athens, OH E. A. Beverly, Department of Family Medicine, Ohio University Heritage College of Osteopathic Medicine, Athens, OH; The Ohio University Diabetes Institute, Athens, OH
9:10-9:30	Increasing Treatment Adherence Among Opioid Users Through Financial Coaching	C. Loibl, Department of Human Sciences and Ohio State University Extension, The Ohio State University T. Yilmazer, Department of Human Sciences, The Ohio State University S. Moulton, John Glenn College of Public Affairs, The Ohio State University
9:30-9:50	Motivating Proper Disposal of Unused Prescription Opioids in Appalachia: A Community-Based Approach	D. W. Helme, K. M. Lukacena-Buzzetta, L. Roberson, & C. M. Zelaya, Department of Communication, University of Kentucky; K. L. Egan, Department of Health Education and Promotion, East Carolina University; M. S. McCleary, Department of Public Health Education, University of North Carolina at Greensboro; M. Wolfson, Department of Social Sciences and Health Policy, Wake Forest School of Medicine.
Health Equity Across the Lifecourse: Health Disparities – Room B		
8:30-8:50	Data-Driven Paradigms for Addressing Health Equity in Appalachia	S. R. Diaz, PhD, JD, Associate Professor Family Medicine, Ohio University Heritage College of Osteopathic Medicine M. Frazier, MBA, MPH, ARDMS, ARRT(R)(M), Public Health and Regional Workforce Analysis Researcher, University of Pikeville-Kentucky College of Osteopathic Medicine M. Cenatiempo, MBA, LCSW, Director of Health Sciences Research & Grants, Lincoln Memorial University - DeBusk College of Osteopathic Medicine
8:50-9:10	The Association of Socioeconomic Status and Access to Care in Appalachia	Hannah Smith, Medical Student Research Program, The Ohio State University College of Medicine Cecilia DeGraffinreid MHS, The Ohio State University Comprehensive Cancer Center Juan Peng MAS The Ohio State University Center for Biostatistics Chris Weghorst PhD, The Ohio State University Comprehensive Cancer Center Mack T. Ruffin IV MD MPH, Pennsylvania State Health Milton S. Hershey Medical Center, and Electra D. Paskett PhD, The Ohio State University College of Medicine, The Ohio State University Comprehensive Cancer Center
9:10-9:30	Inequalities in Socioeconomic Conditions and Behavioral risk factors are Associated with Urban-Rural Disparities in Heart Failure Mortality in Kentucky Counties	I. Madujibeya, Department of Nursing, University of Kentucky A. Aroh, Department of Public Health, University of Kentucky M. Rayen, Department of Nursing, University of Kentucky
9:30-9:50	Social Factors Affecting COPD Readmission Rates	Jasmyn Atalla, Marshall University Sutoidem Akpanudo MD, Department of Internal Medicine, Duke University

Environmental Health– Room C		
8:30-8:50	Pediatric Manganese Exposure and Cognitive Performance in Rural Appalachian Ohio: The Communities Actively Researching Exposure Study	K. V. Martin, Department of Environmental Health, College of Medicine, University of Cincinnati K. Dietrich, Department of Environmental Health, College of Medicine, University of Cincinnati H. Sucharew, Division of Biostatistics and Epidemiology, Cincinnati Children's Hospital Medical Center K. Brunst, Department of Environmental Health, College of Medicine, University of Cincinnati E. Haynes, Department of Epidemiology, College of Public Health, University of Kentucky
8:50-9:10	Family-centered Citizen Science Project to Reduce Home Radon Exposure	Conley, N., Wilmhoff, C., Mundy, M., Morris, E., Hahn, E.J., University of Kentucky
9:10-9:30	Small water system UV-C LED disinfection: a year-long demonstration of a novel technology to fight waterborne infectious disease	N.M. Hull, Department of Civil, Environmental, and Geodetic Engineering, The Ohio State University W.H. Herold, Department of Civil, Environmental, and Architectural Engineering, University of Colorado Boulder K.H. Linden, Department of Civil, Environmental, and Architectural Engineering, University of Colorado Boulder
9:30-9:50	Appalachia's Nuclear Legacy and Public Health	M. Morrone. Appalachian Rural Health Institute, Ohio University H. A. Perkins. Department of Geography. Ohio University.

Break Out Session Four – 10:00-11:20am

Mental Health / Substance Abuse / Opioids – Room A		
10:00-10:20	Preferences and Motivations for Clinical Research Participation: A Descriptive Cross-Sectional Study of Syringe Service Participants in Portsmouth, Ohio	A. Hetrick, Division of Epidemiology, College of Public Health, The Ohio State University M. Brown, Division of Epidemiology, College of Public Health, The Ohio State University A. Rinderle, Division of Epidemiology, College of Public Health, The Ohio State University P. T. Korthuis, Division of General Internal Medicine, Oregon Health Sciences University A. Young, Department of Epidemiology, University of Kentucky, Center on Drug and Alcohol Research, University of Kentucky K. E. Lancaster, Division of Epidemiology, College of Public Health, The Ohio State University
10:20-10:40	Coordinated Specialty Care for First-Episode Psychosis in Appalachia: The Hopewell Health Centers First-Episode Psychosis Program	T. Stage, Hopewell Health Centers N. J. K. Breitborde, Departments of Psychiatry and Behavioral Health & Psychology, The Ohio State University
10:40-11:00	The HeartHealth Lifestyle Intervention Improves Diet Quality in Appalachian Adults Regardless of Depressive Symptoms	M Nguyen, College of Arts and Sciences, University of Kentucky TL Lennie, Professor, College of Nursing, University of Kentucky ML Chung, Professor, College of Nursing, University of Kentucky DK Moser, Professor, College of Nursing, University of Kentucky G Mudd-Martin, Associate Professor, College of Nursing, University of Kentucky
11:00-11:20	Appalachian Recovery Center Garden Project	M. Aull, Nutrition Education Program Director, University of Kentucky O. Adedokun, Nutrition Education Program, University of Kentucky J. Knappage, Nutrition Education Program, University of Kentucky P. Plonski, Nutrition Education Program, University of Kentucky
Health Equity Across the Lifecourse: Child/Adolescents – Room B		
10:00-10:20	Community Engagement: A Pathway for Oral Health Needs Assessment	H. Amini, College of Dentistry, Ohio State University M. Morse, Program Coordinator, Oral Health Ohio

10:20-10:40	Parents Partners in Education (PPIE) Improves Care Provided by West Virginia (WV) Pediatricians and Family Medicine Physicians for Children and Youth with Special Health Care Needs (CYSHCN)	Allyson Bias, Yaslam Balfaqih, Shellie Mellert, Marci Osburn, James Lewis Department of Pediatrics, Joan C. Edwards School of Medicine (JCESOM) at Marshall University
10:40-11:00	A Rising Tide Lifts All Boats: Resiliency Lessons from PROSPER Collaborations	K.Henderson-Cabral, PROSPER Prevention Coordinator, College of Education and Human Ecology, Ohio State University A.Trinh, Senior Program Manager, Opioid Innovation Fund, Ohio State University
11:00-11:20	Addressing Food Insecurity in Pediatric Primary Care	J.A. Skelton, Department of Pediatrics, Wake Forest School of Medicine M. Goodpasture, Department of Pediatrics, Wake Forest School of Medicine K. Montez, Department of Pediatrics, Wake Forest School of Medicine D. Antunez, Department of Pediatrics, Wake Forest School of Medicine L. Albertini, Department of Pediatrics, Wake Forest School of Medicine D. Palakshappa, Department of Internal Medicine and Pediatrics, Wake Forest School of Medicine
Chronic Disease and Women's Health – Room C		
10:00-10:20	A Comparison of Cancer Screening Behaviors of Rural Women by Geographic Area: Appalachia Ohio, Non-Appalachia Ohio, and Indiana	E. D. Paskett, Department of Internal Medicine, The Ohio State University R. D. Baltic, Resource Planning Analyst, The Ohio State University S. Rawl, School of Nursing, Indiana University M. L. Katz, College of Public Health, The Ohio State University G. S. Young, Center for Biostatistics and Bioinformatics, The Ohio State University C. M. Tatum, Program Director, The Ohio State University and V. L. Champion, School of Nursing, Indiana University
10:20-10:40	Preterm Birth Prevention in Appalachian Kentucky: Understanding Barriers and Facilitators Related to Transvaginal Ultrasound Cervical Length Surveillance Among Obstetric Providers	N.R. Chavan, Assistant Professor, Division of Maternal Fetal Medicine, Department of Obstetrics & Gynecology, University of Kentucky College of Medicine; M.E. Moloney, Assistant Professor, Department of Sociology, University of Kentucky College of Arts and Sciences; C.T. Cockerham-Morris, Research Program Manager, Division of Maternal Fetal Medicine, Department of Obstetrics & Gynecology, University of Kentucky College of Medicine; A. Hansen, Doctoral Student, Department of Sociology, University of Kentucky College of Arts and Sciences, Medical Student, University of Kentucky College of Medicine; J. Li, Co-Director Center for Health Services Research, Department of Internal Medicine, University of Kentucky College of Medicine
10:40-11:00	Reproductive Health Access in Appalachian Ohio: Tales from a Community Based Participatory Research Project	Colen, Cynthia, Department of Sociology, Ohio State University; Kissling, Alexandra, Department of Sociology, Ohio State University
11:00-11:20	The Emotional Experience of Living with Diabetes in Rural Appalachian Ohio	E.A. Beverly, Ohio University Heritage College of Osteopathic Medicine, Athens, OH 45701 S. Adkins, The Ohio State University College of Pharmacy, Columbus, OH 43210
