

Building Well-Connected Communities

Call for Proposals:

Objectives for Conference

- Align and focus our assets to encourage innovation, flexibility, and adaptability
- Develop strategies to improve social, economic, and environmental conditions to cultivate a culture of health
- Promote skills to enrich healthy relationships and strengthen families
- Recognize the diverse contributions of all people with a priority on equity

Criteria

- A clear focus on one of the impact areas
- A high level of interaction and audience participation is required for sessions at this conference; proposals should clearly indicate methods for engaging the audience.
- Sessions should directly relate to the conference theme and objectives

Submission Process

- Submissions due **July 16, 2018 at 5:00pm** to <http://go.osu.edu/callforproposals2018>
- 300 words maximum for an interactive workshop or poster (indicate which you are submitting for).
- Include references to support the information in your presentation (not included in word count)
- Presenters will be notified by August 16, 2018
