

The JCEP Professional Development Committee is pleased to announce

# *Hallway Conversations*

*an Extension networking and socialization event*

Bring your coffee, bring your tea;  
Share your thoughts of what could be.  
We miss our convos in the hall,  
So chat with us in virtual.

For many Extension professionals, the best part of attending professional development opportunities are the conversations and networking that happen in the hallway between sessions. We want to recreate these genuine and organic exchanges! Bring your favorite breakfast beverage and join us for informal breakout conversations about what's going well for you and what challenges you're facing in your Extension work today.

**Wednesday, March 17th at 9am**
