Innovative Program Forum - What's Your Pitch?

Ever wondered if your program idea has already been offered in the Extension system? Want to pitch your idea to a group of esteemed Extension professionals and get feedback? Well, here's your opportunity to do just that! In this session, presenters will have up to 3 minutes to make a pitch and will receive feedback and recommendations from a panel of judges and session attendees.

Tips for Proposals

Check out this list of do's and don'ts of proposal writing created by the 2020 Sessions Committee and this worksheet for proposal preparation.

Submit a Proposal Using Oxford Abstracts
If you have submitted to Oxford Abstracts in the past, you will already have a username and login. If not, you will be asked to create an account in order to access the proposal submission form. Submit your proposal(s) via the Oxford Abstracts system (https://app.oxfordabstracts.com/stages/2248/submitter). Oxford Abstracts does save partial submissions, so you can make changes to your proposal up until the submission deadline of January 11th, 2021. Don't forget to go back in to complete your proposal!

Reviewers needed! Proposals are peer-reviewed by other NACDEP members.
If you are able to serve as a reviewer, you can indicate your availability to review between Jan. 15-29, 2021, while submitting a proposal via the Oxford Abstracts system. If you are not submitting a proposal, but are still willing to review proposals, please contact Rebecca Sero to be added to the reviewer list.
