WEDNESDAY, JUNE 24 10-11 a.m.

Over 70,000 businesses in Ohio are owned by people over 55. As these owners prepare for retirement, how will they plan for transitioning their business?

Join us for a one-hour session to understand the process of business ownership transition and to learn about resources for small business succession planning. This session will have a special focus on transitioning businesses to employee ownership using a worker cooperative model.

The Small Business Development Center Program of Ohio is a funded program of the Ohio Development Services Agency and the U.S. Small Business Administration.
