

The Ohio Joint Council of Extension Professionals (OJCEP)* is an organization dedicated to promoting the professional development of and providing ongoing support for the professionals of Ohio State University Extension. Membership is open to Ohio State University Extension employees who have an administrative and professional (A&P) or faculty appointment.

Its work is primarily carried out by the OJCEP Board of Directors and several committees. The OJCEP Board of Directors is comprised of a president, president-elect, past president, secretary, and treasurer along with state presidents of ANROP, ESP, NACAA, NAE4-HA, NEAFCS, and NACDEP.

The National Association of Community Development Extension Professionals (NACDEP) is an organization dedicated to improving the visibility, coordination, professional status and resource base of community and economic development Extension programs and professionals.

The NACDEP state president and president-elect give leadership to the NACDEP and OJCEP missions above via the responsibilities outlined below:

NACDEP Meetings

Meetings are held in conjunction with the face to face OJCEP board meetings on campus 4-6 times year. Typically these are held over lunch in the agricultural auditorium or other suitable location within the agricultural administration building. Arrangements for distance accommodations can also be made if desired (e.g. CarmenConnect, Skype, Zoom, etc). Additionally, a portion of regularly-scheduled CD in-services have been set aside for NACDEP-related business and updates. For these meetings, work with the AD to discuss specific needs such as amount of time needed, preferred time of day, etc. Specific tasks related to NACDEP meetings include:

1. Coordinate development of meeting agendas to include: national committee updates, program update with AD, reminder of membership renewal (in autumn)
2. Share meeting agenda with AD in advance of meeting
3. Provide meeting minutes to the membership
4. Record attendance (both in-person and via distance) and include in meeting minutes
5. Work with president elect to identify one or more individuals with interest in serving as incoming president elect (to be determined in autumn); submit nominee(s) to OJCEP president for inclusion in autumn OJCEP board ballot
6. Coordinate December annual meeting agenda (held in conjunction with Extension Annual Conference) with president-elect (and AD if needed); recognize incoming president and president elect at annual meeting in December (this is the 'transition/turn-over' meeting where the president-elect becomes president and the newly elected president-elect joins the OJCEP board); outgoing president will submit an 'annual report' at this meeting (see example below)

NACDEP Awards

Awards are based on the national NACDEP Award categories and application deadline. Specifically, members are encouraged to submit their NACDEP award applications to the AD for consideration. Ohio winners are determined and then informed of their award via the NACDEP president. Ohio winners are then encouraged to submit their award application for regional and national NACDEP Award consideration by the required due date. Specific tasks related to NACDEP Awards include:

1. Communicate awards info (e.g. categories, deadlines, etc) – track availability of National NACDEP Award info via NACDEP webpage
2. Request applications for Ohio NACDEP Awards when national NACDEP Awards call for nominations is made (usually Winter); invite members to forward their award application(s) to president-elect at least three weeks prior to the due date; president-elect forwards the applications to the AD
3. AD coordinates selection of Ohio winners and forwards names to the president within one week of receiving;
4. President notifies Ohio winners including winners' responsibility for submitting to NACDEP for regional and national NACDEP award consideration at least two weeks prior to the national awards deadline
5. AD submits national Distinguished Service Award nomination in early Winter (Jan/Feb); the Schindler Award winner announced in the previous December is automatic nominee; the nominee must be at least a 7-year employee in Extension
6. Request/coordinate review Schindler Award guidelines (nomination form, call for nominations process, etc) at Winter/Spring meeting

NACDEP Communications

The strength of the organization is largely dependent on the quality of the communications. As such, coordinating communications pertaining to all things NACDEP is a key responsibility of the president and president-elect positions. Key communications areas include: regular meeting dates and agenda, upcoming conferences (e.g. NACDEP, JCEP Leadership, PILD, etc), state and national awards, recognition and event and organizational participation opportunities, etc. Specific tasks related to NACDEP communications include:

1. Promote participation in JCEP-sponsored conferences: PILD held in Washington DC (typically in April) and Leadership (typically in February)
2. Recognize national NACDEP committee chairs and committee members; provide opportunities for these individuals to update the membership and encourage others to become more actively engaged in board and committee work of NACDEP
3. Discuss opportunity to serve as President-Elect in autumn; actively seek to identify interested parties for NACDEP leadership
4. Promote call for membership renewals to membership in autumn

5. Promote participation in statewide NACDEP events such as the Annual CD Homecoming Tailgate; work with AD/support staff to coordinate specific details for this event such as invitation lists, RSVP dates, etc; include a 'report' of such alumni development efforts in regular NACDEP meetings and the annual written report (see template in Appendix)
6. Compile and assemble Annual Report of NACDEP Activities to be submitted for review in autumn (see template in Appendix); forward draft NACDEP Annual Report to membership for review and comment prior to submission to OJCEP president

Specific communications related to the NACDEP Annual Conference include:

1. Communicate upcoming NACDEP conference info including proposals submission deadlines, registration info and deadlines, conference dates and location, etc; remind all participants of university travel policies including requesting T# prior to out of state travel
2. Identify upcoming NACDEP conference attendees, presenters, and interest in an Ohio "night out" at the upcoming conference
3. Track and report national conference participation, presentations, posters, awards, leadership (e.g. board members, committee chairs, committee members, etc); communicate report to NACDEP membership, AD and Extension administration (i.e. Extension director)

* OJCEP was formed in 2012 when the membership of Ohio's Alpha Eta Chapter of Epsilon Sigma Phi (ESP) and the Ohio Association of Extension Professionals (OAEP) voted to merge.

Ohio NACDEP officers, membership and meetings:

Godwin Tayese Apaliyah is Ohio NACDEP President and Laura Fuller, Ohio NACDEP President – Elect for 2017. Ohio NACDEP currently has 28 active members in 2016. 1 member (Frank Gibson) retired on November 4, 2016 and 3 members resign their positions in OSU Extension.

Six meetings were held – 4 face – face and 2 via carmenconnect with an average attendance of 8 members. Some of the topics discussed during these meetings included: State, Regional and National awards; applying to the national organization's executive to host the 2018 NACDEP national conference in Ohio (Cleveland); holding a tailgate event at the OSU homecoming game – an opportunity for members to network and have fun- and others.

Year	OSU Extension NACDEP Membership
2016	28
2015	32
2014	32
2013	25
2012	21
2011	19
2010	18
2009	39
2008	42

Awards: National and Regional award:

In all there were 5 posters and 9 concurrent session presentations made by OSU Extension Community Development team. Awards and Recognitions:
