Date: Monday, August 27, 2012 12:25:13 PM
Attachments: [att00001.txt](#)

Colleagues,

It's hard to find bargains today but eXtension is offering **YOU** a great one! Save \$50 by [registering for the 2012 National eXtension Conference](#) on or before September 1, 2012!

- Not only will you save \$50 BUT you'll attend a conference with three [outstanding keynote speakers!](#)
 - **Devin Fidler** of the Institute for the Future;
 - **Dr. Theresa Bernardo** working with new information technologies and health, education, and international development; and
 - **Amy Lynch**, author of "How Can You Say That?", an expert on generations and their differences.
- [Fifty-six breakout sessions](#) on topics from working differently to using social media to understanding today's students to using technology in Extension programming and much, much more!
- Three dynamic panel discussions on the
 - **Evolution of Extension**,
 - **Cooperative Extension's Global Potential**, and
 - **Developing Strategic Partnerships**.
- **Hours of networking opportunities** with colleagues from across the country and the world!
- Social media connections via [Twitter](#) and [Facebook!](#) **Follow us NOW for program updates!!!**
- [Excellent hotel accommodations and entertainment opportunities](#) in heartland America: Oklahoma City!

All in all...NeXC2012 promises to be **THE outstanding professional development opportunity for Cooperative Extension faculty and staff for 2012.**

YOU need to be a part of this excellent conference...and, if you act before September 1, you save MONEY! Everyone wants to do that!!!

Join us October 1-5, 2012 in Oklahoma City for your BEST professional development this year! [Register NOW!!](#)
