Subject: ALL-EXTENSION: REGISTRATION LINK for Research in View (RiV) Training Sessions - UPDATE!
Date: Monday, December 03, 2012 11:28:05 AM

Hello again,

There is still room in MOST of the training sessions below! Please register today if you are interested in attending. Note: Registrations available have been updated below. **NEW training opportunities have been added for South Central Region (to view remotely) on December 6.**

Updated "original" message follows+++++

Here are the Research in View (RiV) trainings being offered by the OSUE Program Development & Evaluation Unit that are scheduled over the next two weeks for Extension personnel. We will do our best to record at least one of the sessions and post it on the "Extension Reporting" section of the PDE website (<http://go.osu.edu/PDE>).

You may have indicated initial interest in attending one of the sessions listed below with a regional support staff contact. Please use the link below as your "official" registration (i.e., please click the link below to attend the session you showed interest in and to confirm your registration).

Please register at <http://go.osu.edu/RiVDec2012> Registration will "close" at NOON the business day before each session.

- You will need to bring your own computer to most of the training sessions (if you want to follow along in your own RiV profile).
- Computers will be provided for the December 6 trainings (on campus or Belle Valley) only.
- If you have a wireless hot spot, please bring that along to the training located at Adventure Central (they do not have public WiFi).
- Seats available are listed below in parentheses following each session description. If you try to register for a session that is full, the "survey" will let you pick another session by clicking on the "previous" button.
